*A symbol of wisdom,
knowledge, guidance and
enlightenment.*

The **Adult Diploma Program is based on the premise that an individual “learns through experience”.**

- **Trained diploma consultants offer individualized instruction and guidance in the development of a student portfolio.**

- **Academic units are awarded for demonstration of competencies in English/ Language Arts, and Mathematics.**

- **A required sequence of United States History I and II is offered afternoons or evenings. (Evening U.S. History classes are fee based classes.)**

- **Life skills units, when properly documented, can be awarded in over 12 areas.**

- Employment
- Home Management (home repairs, homemaking, etc.)
- Military Service
- Family Health and Education
- Sports, Recreation and Travel
- Practical Arts (ceramics, car repair etc.)
- Previous High School Courses
- Extra courses taken (academic or vocational)

- Training Programs
- Fine Arts (music, painting, etc.)
- Community Volunteer Service
- Second Language

- **An interview and skills assessment determine enrollment in the Program.**
- **There is a minimum age requirement.**
- **Successful attainment of competency determinations in the areas of English Language Arts, Mathematics and Science. (MCAS Science includes one of the following: Biology, Chemistry, Introductory Physics or Technology/Engineering)**
